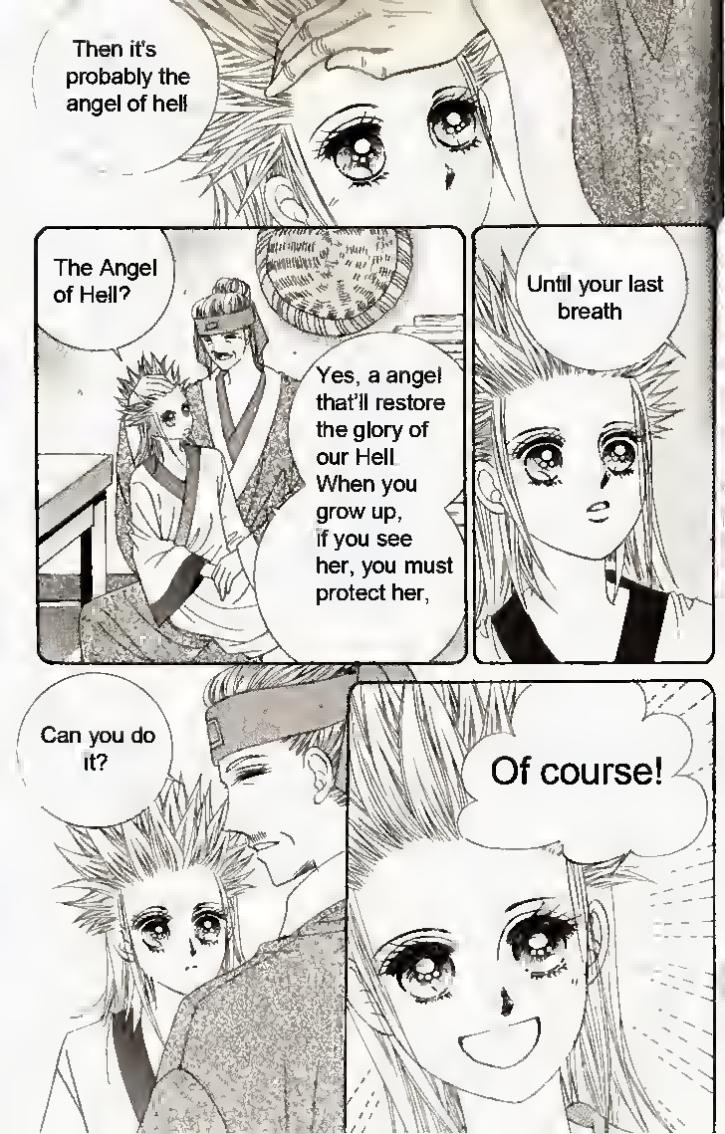
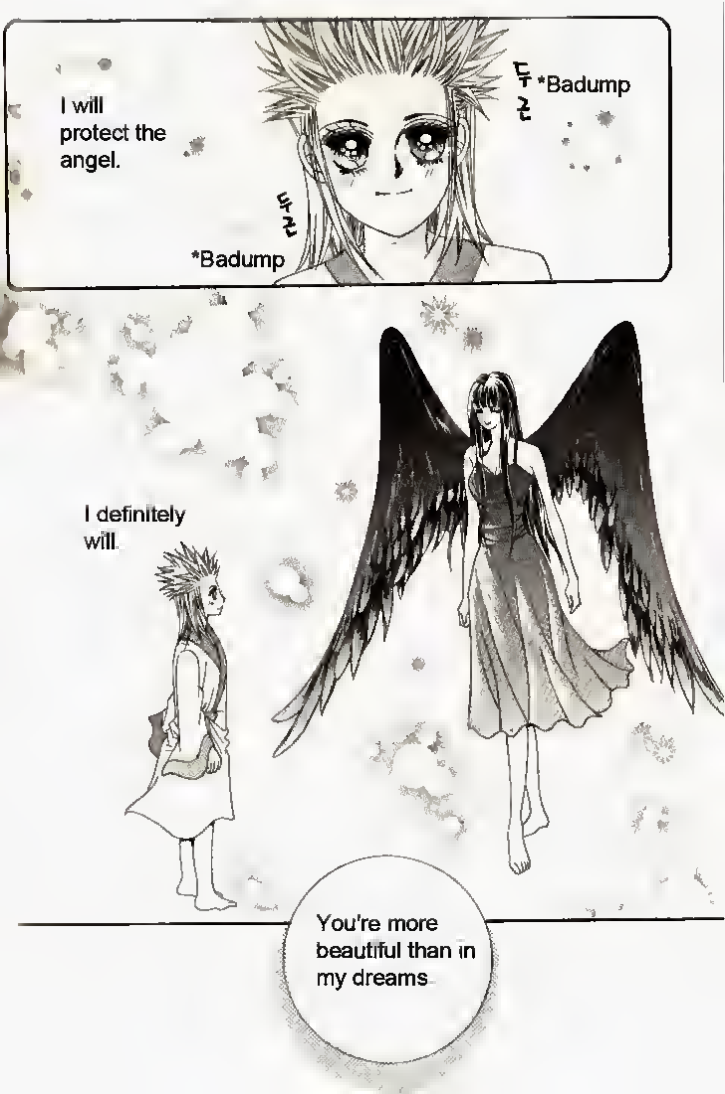
Oh, it's you
Grandpa
Did you have a bad dream again?
Don't cry
Do you have that horrific dream everyday?
I'm not afraid
Yesterday, the day before, and the other day too. It's the same every time, a girl with wings flies over and smiles at me
A girl with wings?
Yes



Then it's probably the angel of hell
The Angel of Hell?
Yes, a angel that'll restore the glory of our Hell. When you grow up, if you see her, you must protect her,
Until your last breath
Can you do it?
Of course!



I will protect the angel.
*Badump
*Badump

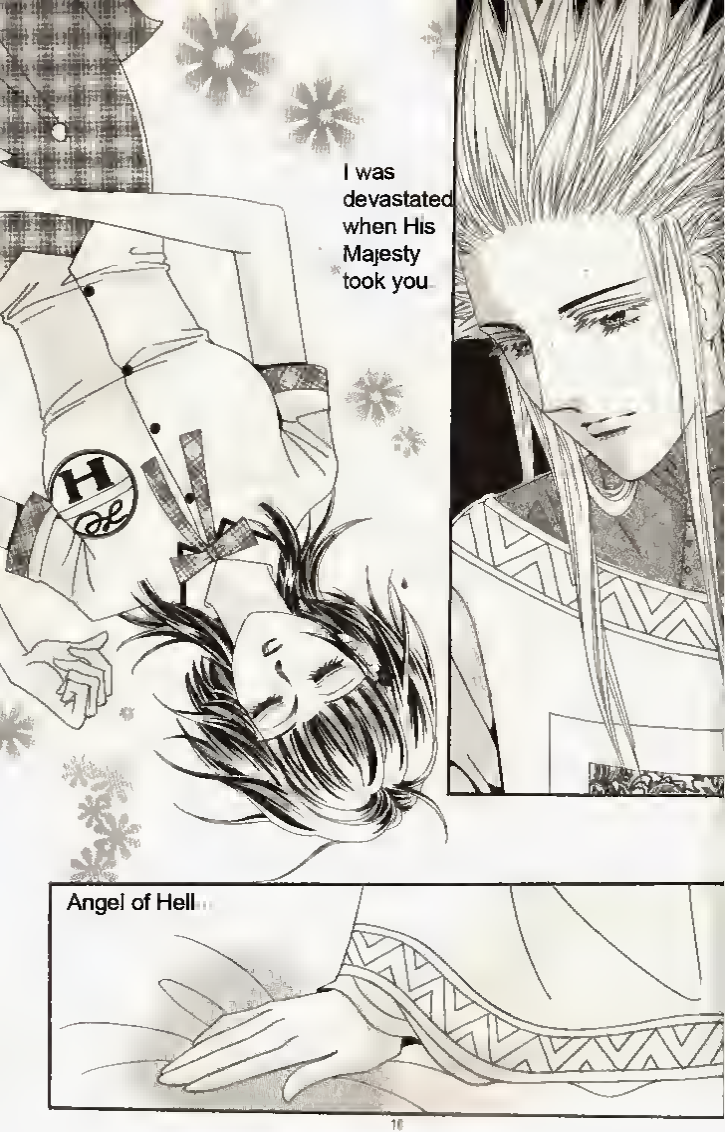
You're more beautiful than in my dreams



I was devastated when His Majesty took you
Angel of Hell...

Don't, don't tell me you're Hades?
I don't want that word coming from your mouth
Die!

I must run! My powers compared to Hades..

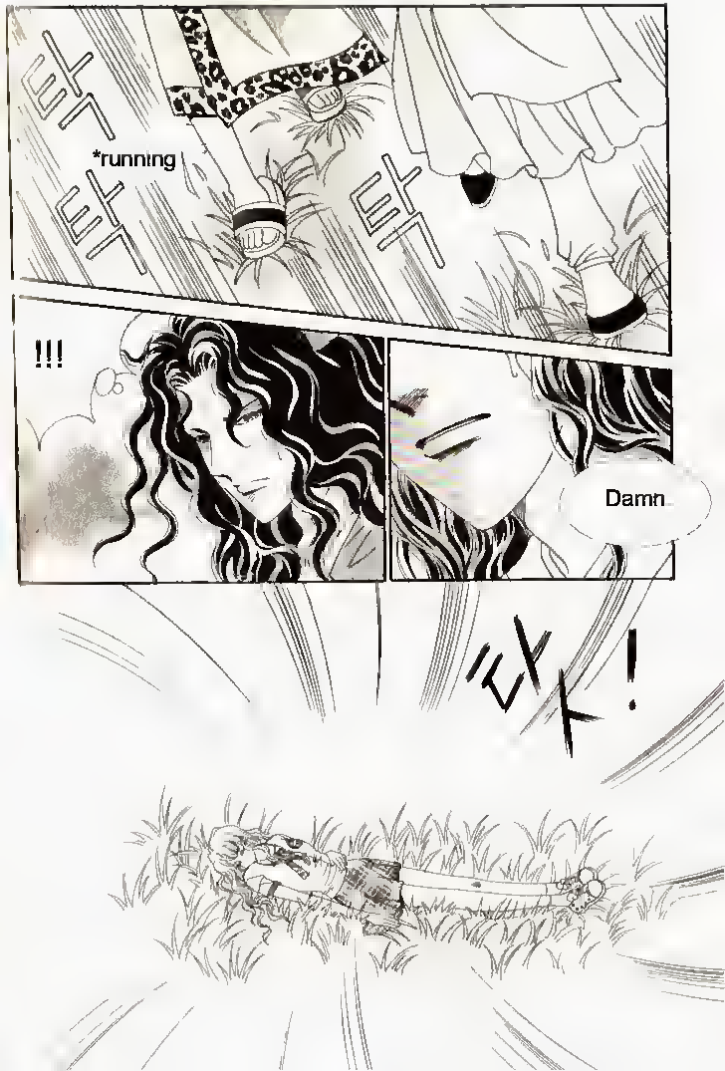
She is different from other women.
From the first meeting, I knew she was an Angel of Heaven
No matter what ...
she already drank the poison



*running
